1. BOB can add little concrete to the questions posed in Reference A. Results of the SG debriefing of

Earl Christian FREY
(born 25 May 1914 in Berlin)

were forwarded to BOB by Bonn in References B and C, and BOB in turn forwarded them without comment to CATHINK in Reference D.

2. BOB has carded info only (known to MLB) on RECHENBURG. We also have information indicating a close tie between FREY and Kurt AXMANN, who is then involved on the periphery of the FREY investigation. (We have passed this information to the SG directly.) We have nothing, however, indicating a tie between Artur AXMANN and RECHENBURG, nor, indeed, any indication of a close business tie between Artur AXMANN and Kurt AXMANN.

3. We are forwarding under separate cover the material forwarded to us by the SG via Bonn, which we have not evaluated. We suggest that you put the question of Artur AXMANN's connection to RECHENBURG straight to the SG.
